

Name Frames

Two sample designs from the full collection.

The full Etsy book contains 100 unique designs or frames.

This sample uses US Letter paper. Print pages 2-3 only.

Print single-sided at 100% / Actual Size. Test one page first.

Use a protective sheet underneath when coloring with markers.

Free for personal and household use. No resale or file redistribution.

Publishers: link to the sample page; do not rehost the PDF.

Artwork created with AI assistance and arranged by SaAshTechsCrafts.

Sample frames are static: hand-letter a name in the blank space.

The paid collection includes editable name fields.
